ABUS FILE BAR

Innovative File Bar

FILE CABINET BARS

YOUR EXCLUSIVE

DISTRIBUTOR

The new ABUS File Bar has enclosed ends which give it a modern look. These enclosed ends also greatly reduce potential shipping damages. There is a conveniently located knob in the center of the file bar for easy and smooth operation. The file bars can be mounted on the right and left side by simply reversing this knob. There is no longer any need to disassemble the bar. The ABUS File Bar is constructed of heavy 16 gauge steel. All the hinges are locking lugs of 16 gauge steel. All mount screws are included with each bar.

Enclosed end for added security and a modern look

Convenient knob for easy and smooth operation
